

Mission Director

This is a new and exciting role that will be at the forefront of Mission Formation.

The Franciscan Missionaries of the Divine Motherhood are an International Congregation of Catholic women whose charism is to live the Gospel in the spirit of St Francis and St Clare of Assisi. Our Franciscan presence is found in 10 countries across the world. In each place we respond to the needs of the community primarily by our presence alongside a wide range of ministries according to the needs and the call of the Spirit.

Much of the administration and management of FMDM Life and Mission is provided by a dedicated team of Mission Partners who bring their professional expertise and wisdom to work alongside the FMDM Leadership Teams around the world in supporting and developing the Life and Mission of the sisters.

As we engage more Mission Partners around the world and as the capacity of the sisters to offer mission formation decreases, the Congregational Leadership Team recognises the need to engage someone who will take a leadership role in ensuring and enabling FMDM charism is integrated into every aspect of the organisation

The successful candidate will need to have experience in adult education or mission formation with a strong commitment to, and understanding of, the Catholic Faith and tradition.
